“Guitarist Extraordinaire”

ZIGGY ZAPATA

COMPERE AND MASTER OF CEREMONIES

With over four decades of professional entertainment experience, Ziggy Zapata can transform any event with witty repartee, comedy and skilful organising and planning. Whether it is a wedding, corporate event, product launch, party or function such as a Melbourne Cup luncheon, Ziggy is always well-prepared and well-researched for each event.

Unlike many comperes who are merely announcers, Ziggy is a fully fledged all-round entertainer who can sing and is a recognised virtuoso on the guitar. So any event can be enhanced by Ziggy's abilities in so many areas. But his humour and presentation will always make any function a memorable experience.

Ziggy can even provide production facilities such as a PA system, radio microphones and background music facilities if required. So if you are planning any sort of event, whether in a club, function centre or even private premises, booking Ziggy Zapata as your Master of Ceremonies is the ideal way to make your function so much better.

Ziggy was honoured by his show business peers by winning the prestigious Australian Entertainment MO Award twice and being a finalist in a number of categories. He has also been a finalist three times in the Australian Club Entertainment Awards.

Please contact Ziggy on 0414-587-586 to discuss your upcoming event and see how Ziggy can really help to make it very memorable.
