# ZIGGY ZAPATA

## DJ

You may know Ziggy Zapata as a leading guitarist entertainer on the club circuit, but he is also available as a DJ as part of his extensive entertainment portfolio.

With a huge range of songs in many genres and his very humorous repartee, Ziggy The DJ can make any event come alive. He plays songs from Old Time and the 50s to the modern day and also has a large collection of well-known numbers from many different eras, as well as famous immortal party favourites and dance crazes such as the Macarena, Monster Mash, Time Warp, Lambada, Nutbush City Limits and many more. Ziggy also has an extensive repertoire of Latin and foreign tracks that will also create a lot of interest. He can even play hilarious comedy tracks if requested.

Ziggy provides excellent DJ entertainment, using the very best state-of-the-art equipment and technology, along with his witty repartee to entertain audiences. Whether you need full-on dance hits or just background music for cocktail parties or corporate presentations, Ziggy can certainly enhance any function. Ziggy can also act as Master of Ceremonies, bringing the professional touch to any event.

Please contact Ziggy Zapata to discuss further details. Don't forget Ziggy's other entertainment and shows for your next event or function. Check Ziggy's website at [www.ziggy.com.au](http://www.ziggy.com.au) for more information.
